

Jesse Tree Ornaments

Make your own Jesse Tree at home with these ornaments. The ornaments coordinate with each day's Scripture. Also, the images on each one match the images on Asbury's Jesse Tree ornaments in the Sanctuary.

There are so many ways to make a Jesse Tree in your home. You can place a few branches in a vase to hang the ornaments on. You can use magnets to place the ornaments on your fridge. Seeing the ornaments on your Jesse Tree are a simple reminder of God's promises and love.
